CONTENTS

About the Authors		i
	Marites A. Khanser, DBA	
	Soontorn Piromsartkoon, DBA	
Prologue		xi
Foreword		xvii
	Professor Worsak Kanok-Nukulchai, PhD (UC Berkeley) President, Asian Institute of Technology (AIT) Bangkok, Thailand	
Foreword		xix
	Mr. Edmundo Isidro President, Philippine Venture Capital Investment Group (Philvencap) Asian Institute of Management (AIM) Makati City, Philippines	
Introductions		xxii
	Marites A. Khanser, DBA	
	Soontorn Piromsartkoon, DBA	
Part One	On Climate Change and Green Energy	28
	1 The Global Climate Change and Why we Should Worry	29
	2 On Reducing Carbon Footprint	35
	3 Green Energy	39
Part Two	The Dream and the Imagination	48
	4 The Dream	49

5	The Importance of Imagination	53
6	Biomimicry: Mimicking the Firefly	57
7	Breakthrough with Bioluminescence	63
Part Three	On the Phenomenon of Bioluminescence	68
8	Bioluminescence 101: The Basics	69
9	How does A Firefly Create Bioluminescence?	77
10	Firefly Bioluminescence: Perspective from an Entomologist from Thailand	83
11	Cold Light and Bioluminescence	93
12	How Bioluminescence Makes A Beautiful World	99
13	How Useful is Bioluminescence?	105
Part Four	Bioluminescent Light: A Disruptive Innovation	111
14	Industrial Revolution 4.0	113
15	Why Disruptive Innovation?	133
16	Biotechnology and Bioluminescent Light	143
17	Synthetic Biology: Benefits and Risks	149
18	Case Study on GlowGlobe Lighting Startup	159
Part Five	How Bioluminescent Light will Benefit the World	170
19	Benefits of Using Bioluminescent Lighting system	171
20	Environmental and Health Protection	177
21	Alternative Green Energy	183
22	Solution to reducing carbon footprint	187

Part Six	Inventions for the Next 50 Years	190
	23 Ideas you have not yet Imagined	191
	24 Some Inventions of the Future	197
	25 Technology in the Service of Human Spiritual Evolution	205
Epilogue	Justin Roy E. Villa, MBA	213
	Member, Team Perpetual Light Biotechnologies	
	Rita Umali, MM	215
	Member, Team Perpetual Light Biotechnologies	
Bibliography		217
Acknowledgments		223
Illustration Credits		227
Forthcoming Books of the Authors		230
Appendices	Appendix A	235
	Interview Protocol for Dr. Anchana Thancharoen	
	Appendix B	238
	"A Beautiful World"	
	Lyrics and Music by Soontorn Piromsartkoon	
	(© 2018)
