VISUAL DICTIONARY

structure of a flower

The unique thematic fully-illustrated dictionary

Contents

ASTRONOMY	2
Celestial bodies	4
<i>solar system, planets and moons, Sun, Moon, meteorite, comet, star, galaxy</i>	
Astronomical observation	10
<i>planetarium, constellations of the southern hemisphere, constellations of the northern hemisphere, celestial coordinate system, refracting telescope, reflecting telescope, radio telescope, Hubble space telescope, astronomical observatory</i>	
Astronautics	18
<i>space probe, spacesuit, international space station, space shuttle, space launcher</i>	
EARTH	26
Geography	28
<i>configuration of the continents, cartography, remote sensing</i>	
Geology	42
<i>structure of the Earth, section of the Earth's crust, tectonic plates, earthquake, volcano, mountain, glacier, cave, landslides, watercourse, lakes, wave, ocean floor, ocean trenches and ridges, common coastal features, desert</i>	
Meteorology	53
<i>profile of the Earth's atmosphere, seasons of the year, meteorological forecast, weather map, station model, international weather symbols, meteorological station, meteorological measuring instruments, weather satellites, climates of the world, clouds, tornado and waterspout, tropical cyclone, precipitations</i>	
Environment	66
<i>vegetation and biosphere, food chain, hydrologic cycle, greenhouse effect, air pollution, land pollution, water pollution, acid rain, selective sorting of waste</i>	
PLANT KINGDOM	72
<i>plant cell, lichen, moss, alga, mushroom, fern, plant, leaf, flower, fruits, cereals, grape, tree, conifer</i>	
ANIMAL KINGDOM	90
Evolution of life	92
<i>origin and evolution of species</i>	
Simple organisms and echinoderms	94
<i>animal cell, unicellulars, sponge, echinoderms</i>	
Insects and arachnids	96
<i>butterfly, honeybee, examples of insects, examples of arachnids, spider</i>	
Molluscs	104
<i>snail, univalve shell, bivalve shell, octopus</i>	
Crustaceans	107
<i>lobster</i>	
Fishes	108
<i>cartilaginous fish, bony fish</i>	
Amphibians	110
<i>frog, examples of amphibians</i>	
Reptiles	112
<i>snake, turtle, examples of reptiles</i>	
Birds	115
<i>bird, examples of birds</i>	
Insectivorous mammals	121
<i>mole, examples of insectivorous mammals</i>	
Rodents and lagomorphs	122
<i>rodent, examples of rodents, rodent's and lagomorph's jaws, examples of lagomorphs</i>	
Ungulate mammals	124
<i>horse, examples of hoofs, examples of ungulate mammals</i>	
Carnivorous mammals	130
<i>dog, dog breeds, cat, cat breeds, examples of carnivorous mammals</i>	
Marine mammals	136
<i>dolphin, examples of marine mammals</i>	
Primate mammals	138
<i>gorilla, examples of primates</i>	
Flying mammals	140
<i>bat, examples of flying mammals</i>	
Marsupial mammals	142
<i>kangaroo, examples of marsupials</i>	
HUMAN BEING	144
Human body	146
<i>man, woman</i>	
Anatomy	150
<i>muscles, skeleton, teeth, blood circulation, respiratory system, digestive system, urinary system, nervous system, male genital organs, female genital organs, breast</i>	
Sense organs	172
<i>touch, hearing, smell and taste, sight</i>	

FOOD AND KITCHEN 178

Food	180
supermarket, farmstead, mushrooms, seaweed, vegetables, legumes, fruits, spices, condiments, herbs, cereals, cereal products, coffee and infusions, chocolate, sugar, fats and oils, dairy products, offal, game, poultry, eggs, meat, delicatessen, molluscs, crustaceans, cartilaginous fishes, bony fishes	
Kitchen	222
packaging, kitchen, glassware, crockery, cutlery, kitchen utensils, cooking utensils, domestic appliances, miscellaneous domestic appliances, coffee makers	

HOUSE 242

Location	244
exterior of a house, pool	
Elements of a house	247
exterior door, lock, window	
Structure of a house	250
main rooms, timber frame, roof truss, foundations, wood flooring, textile floor coverings, stairs, step	
Heating	256
wood firing, forced warm-air system, pumped hot-water system, heat pump, auxiliary heating	
Air conditioning	261
air conditioning appliances	
Plumbing	262
plumbing system, pedestal-type cesspit pump, septic tank, bathroom, toilet, waterheater tank, taps, fittings, examples of branching	
Electricity	272
distribution panel, network connection, watt-hour meter, contact devices, lighting	
House furniture	276
armchair, side chair, seats, table, storage furniture, bed, children's furniture, window accessories, lights, domestic appliances, household equipment	

DO-IT-YOURSELF AND GARDENING 296

Do-it-yourself	298
basic building materials, covering materials, insulating materials, wood, carpentry: nailing tools, carpentry: screwing tools, carpentry: sawing tools, carpentry: drilling tools, carpentry: shaping tools, carpentry: gripping and tightening tools, carpentry: measuring and marking tools, carpentry: miscellaneous material, plumbing tools, masonry tools, electricity tools, soldering and welding tools, painting upkeep, ladders and stepladders	
Gardening	322
pleasure garden, miscellaneous equipment, seeding and planting tools, hand tools, tools for loosening the earth, watering tools, pruning and cutting tools, lawn care	

CLOTHING 334

features of historical costume, traditional clothing, headgear, shoes, gloves, fabric care symbols, men's clothing, sweaters, women's clothing, newborn children's clothing, children's clothing, sportswear	
--	--

PERSONAL ADORNMENT AND ARTICLES 372

Personal adornment	374
jewellery, manicure, make-up, body care, hairdressing	
Personal articles	383
shaving, dental care, contact lenses, spectacles, leather goods, handbags, luggage, smoking accessories, umbrella and stick	

ARTS AND ARCHITECTURE 392

Fine arts	394
museum, painting and drawing, wood carving	

Architecture	402
pyramid, Greek theatre, Greek temple, architectural styles, Roman house, Roman amphitheatre, castle, Vauban fortification, cathedral, pagoda, Aztec temple, elements of architecture, escalator, lift, traditional dwellings, town houses	

Graphic arts	420
printing, relief printing process, intaglio printing process, lithography, fine bookbinding	

Performing arts	427
cinema, shooting stage, theatre	

Music	432
traditional musical instruments, musical notation, musical accessories, symphony orchestra, examples of instrumental groups, stringed instruments, keyboard instruments, wind instruments, percussion instruments, electronic instruments	

Crafts	452
sewing, knitting machine, knitting, bobbin lace, embroidery, weaving, pottery	

COMMUNICATIONS AND OFFICE AUTOMATION 466

Communications	468
languages of the world, writing instruments, newspaper, typography, diacritic symbols, miscellaneous, punctuation marks, public postal network, photography, satellite broadcasting, telecommunication satellites, telecommunications by satellite, dynamic microphone, radio: studio and control room, television, stereo sound system, mini stereo sound system, portable sound systems, wireless communication, communication by telephone	

Office automation	509
office, office furniture, personal computer, input devices, output devices, uninterruptible power supply (UPS), data storage devices, communication devices, examples of networks, computer network, Internet, Internet uses, laptop computer, electronic book, PDA, stationery	

TRANSPORT AND MACHINERY 536

Road transport	538
road system, fixed bridges, movable bridges, road tunnel, road signs, service station, car, brakes, tyre, radiator, spark plug, battery, electric car, hybrid car, types of engine, caravan, bus, trucking, motorcycle, quad bike, bicycle	

Rail transport	582
passenger station, railway station, types of passenger coach, high-speed train, diesel-electric locomotive, goods van, marshalling yard, railway track, level crossing, underground railway, streetcar	

Maritime transport	596
harbour, canal lock, ancient ships, traditional ships, examples of sails, examples of rigs, fourmasted barque, examples of boats and ships, anchor, life-saving equipment, navigation devices, maritime signals, maritime buoyage system	

Air transport	618
airport, long-range jet airliner, flight deck, turbofan engine, examples of aircraft, examples of tail shapes, examples of wing shapes, forces acting on an aircraft, movements of an aircraft, helicopter, examples of helicopters	

Handling	632
material handling, cranes, container	

Heavy machinery	636
bulldozer, backhoe loader, scraper, hydraulic shovel, grader, tipper truck, tractor, agricultural machinery	

ENERGY 644

Geothermy and fossil energy	646
production of electricity from geothermal energy, thermal energy, coal mine, oil	

Hydroelectricity	657
hydroelectric complex, generator unit, examples of dams, steps in the production of electricity, electricity distribution, tidal power plant	
Nuclear energy	665
production of electricity from nuclear energy, fuel handling sequence, fuel bundle, nuclear reactor, nuclear power station, gas-cooled reactor, heavy-water reactor, pressurized-water reactor, boiling-water reactor	
Solar energy	672
solar cell, flat-plate solar collector, solarcell system, solar furnace, production of electricity from solar energy, solar house	
Wind energy	676
windmill, wind turbines and electricity production	

SCIENCE 678

Chemistry	680
matter, chemical elements, chemistry symbols, laboratory equipment	
Physics: mechanics	686
gearing systems, double pulley system, lever	
Physics: electricity and magnetism	687
magnetism, parallel electrical circuit, generators, dry cells, electronics	
Physics: optics	690
electromagnetic spectrum, wave, colour synthesis, vision, lenses, pulsed ruby laser, prism binoculars, telescopic sight, magnifying glass and microscopes	
Measuring devices	695
measurement of temperature, measurement of time, measurement of weight, measurement of length, measurement of distance, measurement of thickness, measurement of angles	
Scientific symbols	702
international system of units, biology, mathematics, geometry, geometrical shapes	

SOCIETY 706

City	708
conurbation, city centre, cross section of a street, office building, shopping centre, department store, convention centre, restaurant, self-service restaurant, hotel, common symbols	
Justice	726
prison, court	
Economy and finance	728
examples of currency abbreviations, money and modes of payment, bank	
Education	732
library, school	
Religion	736
Chronology of Religions, church, synagogue, mosque	
Politics	739
heraldry, flags	
Weapons	748
Stone Age weapons, weapons in the age of the Romans, armour, bows and crossbow, thrusting and cutting weapons, arquebus, seventeenth-century cannon and mortar, submachine gun, pistol, revolver, automatic rifle, light machine gun, modern howitzer, modern mortar, hand grenade, bazooka, recoilless rifle, anti-personnel mine, tank, missiles, combat aircraft, aircraft carrier, frigate, nuclear submarine	
Safety	764
fire prevention, crime prevention, ear protection, eye protection, head protection, respiratory system protection, foot protection, safety symbols	
Health	775
ambulance, first aid equipment, first aid kit, clinical thermometers, blood pressure monitor, hospital, walking aids, wheelchair, pharmaceutical forms of medication	

Family	784
family relationships	

SPORTS AND GAMES 786

Sports facilities	788
sports complex, scoreboard, competition	
Track and field	790
arena, jumps, throwing apparatus	
Ball sports	794
baseball, softball, cricket, field hockey, association football, rugby, American football, Canadian football, netball, basketball, volleyball, handball	
Racket sports	815
table tennis, badminton, racquetball, squash, tennis	
Gymnastics	823
rhythmic gymnastics, trampoline, gymnastics	
Aquatic and nautical sports	827
water polo, diving, swimming, sailing, sailboard, canoe-kayak: whitewater, rowing and sculling, canoe-kayak: flatwater racing, water skiing, surfing, scuba diving	
Combat sports	842
boxing, wrestling, judo, karate, kung fu, ju-jitsu, aikido, kendo, sumo, fencing	
Strength sports	850
weightlifting, fitness equipment	
Equestrian sports	852
show-jumping, riding, dressage, horse racing: turf, horse racing: harness racing, polo	
Precision and accuracy sports	859
archery, shotgun shooting, rifle shooting, pistol shooting, billiards, lawn bowling, petanque, bowling, golf	
Cycling	870
road racing, mountain biking, track cycling, BMX	
Motor sports	872
motor racing, motorcycling, personal watercraft, snowmobile	
Winter sports	877
curling, ice hockey, figure skating, speed skating, bobsleigh, luge, skeleton, track, ski resort, snowboarding, alpine skiing, freestyle skiing, ski jumping, speed skiing, cross-country skiing, biathlon, snowshoe	
Sports on wheels	894
skateboarding, inline skating	
Aerial sports	896
hang gliding, glider, ballooning	
Mountain sports	900
climbing	
Outdoor leisure	902
camping, knots, fishing, hunting	
Games	914
dice and dominoes, card games, board game, jigsaw puzzle, mah-jongg, video entertainment system, game of darts, roulette table, fruit machine, soccer table
