

Scott Thornbury

how to

teach vocabulary

"The *How to...* series is written by teachers and teacher trainers, people who know the reality of the classroom and the support teachers need to get the most out of their students. Our aim is to build teachers' confidence, knowledge and classroom abilities – and inspire them to try out new ideas."

Jeremy Harmer, Series Editor

great teachers inspire

How to Teach Vocabulary is a practical guide for teachers who wish to develop their skills and learn about recent developments in this important area. The book includes:

- a description of how words are learned
- a guide to useful sources of vocabulary for classroom use, including coursebooks, corpora and dictionaries
- approaches to presenting and consolidating vocabulary knowledge
- ways of testing vocabulary
- a Task File of photocopiable training tasks
