how to

teach speaking

PEARSON
Longman

"The *How to...* series is written by teachers and teacher trainers, people who know the reality of the classroom and the support teachers need to get the most out of their students. Our aim is to build teachers' confidence, knowledge and classroom abilities – and inspire them to try out new ideas."

Jeremy Harmer, Series Editor

great teachers inspire

How to Teach Speaking is a practical guide for teachers who want to improve their knowledge and develop their classroom skills in this area. The book includes:

- a description of the characteristic features of spoken language
- an explanation of communication strategies that learners use
- ways to increase learner autonomy and confidence
- approaches to assessing speaking
- a Task File of photocopiable training tasks
