# how to

teach pronunciation

with Audio CD

PEARSON  
Longman

"The *How to...* series is written by teachers and teacher trainers, people who know the reality of the classroom and the support teachers need to get the most out of their students. Our aim is to build teachers' confidence, knowledge and classroom abilities – and inspire them to try out new ideas."

Jeremy Harmer, Series Editor

# great teachers inspire

*How to Teach Pronunciation* is a practical guide for teachers who wish to gain a theoretical knowledge of pronunciation and develop their skills. The book includes:

- an exploration of the features and physiology of pronunciation
- an overview of approaches and techniques in the teaching of pronunciation
- an Audio CD giving examples of sounds explored in the book
- a summary of common pronunciation problems
- a Task File of photocopiable training tasks
