

TENTH EDITION

Human Development

Thomas Crandell • Corinne Crandell • James Vander Zanden

CONTENTS

Preface xi
About the Authors xxi

PART ONE

THE STUDY OF HUMAN DEVELOPMENT 1

1 Introduction 2

- The Major Concerns of Science 4
 - Continuity and Change in Development* 4
 - The Study of Human Development* 4
 - The Goals of Developmental Psychologists* 4
- A Framework for Studying Development 5
 - The Major Domains of Development* 5
 - The Processes of Development* 7
 - The Context of Development* 8
- ❖ FURTHER DEVELOPMENTS: *Researching the Complex Effects of Immigration* 9
 - The Timing of Developmental Events* 10
- Partitioning the Life Span: Cultural and Historical Perspectives 13
 - The Age-Old Question: Who Am I?* 13
 - Cultural Variability* 13
 - Changing Conceptions of Age* 14
- The Nature of Developmental Research 15
 - Research Design* 16
 - The Longitudinal Design* 16
 - The Cross-Sectional Design* 18
 - Sequential Design* 19
 - The Experimental Design* 20
 - The Case-Study Method* 21
 - The Social Survey Method* 22
 - The Naturalistic Observation Method* 22
 - Cross-Cultural Studies* 23
- ❖ MORE INFORMATION YOU CAN USE: *Tips for Observing Children* 24
- Research Analysis 26
 - Correlational Analysis* 26
- Ethical Standards for Human Development Research 27
- Summary 29
- Key Terms 30
- Following Up on the Internet 30

2 Theories of Development 31

- Theory: A Definition 33
- Psychoanalytic Theories 33
 - Sigmund Freud: Psychosexual Stages of Development* 34
 - Erik Erikson: Psychosocial Stages of Development* 35
- ❖ FURTHER DEVELOPMENTS: *Theories of Emotions, or Playing Mind Games* 38
- Behavioral Theory 38
 - Ivan Pavlov: Classical Conditioning* 38
 - John Watson and B. F. Skinner* 40
- Humanistic Theory 41
- ❖ MORE INFORMATION YOU CAN USE: *Putting Theory to Use in Your Life* 42
 - Abraham Maslow and Carl Rogers* 43
- Cognitive Theory 44
 - Jean Piaget: Cognitive Stages in Development* 44
 - Albert Bandura: Cognitive Learning* 46
 - Lev Vygotsky: Sociocultural Theory* 48
- Ecological Theory 48
 - Urie Bronfenbrenner* 48
- Classifying the Models 50
 - Continuity and Discontinuity in Development* 50
 - Nature Versus Nurture* 50
 - Behavioral Genetics* 52
 - Evolutionary Adaptation* 54
- Summary 56
- Key Terms 57
- Following Up on the Internet 57

PART TWO

BEGINNINGS 59

3 Reproduction, Heredity, and Prenatal Development 60

- Reproduction 62
 - The Male Reproductive System* 62
 - The Female Reproductive System* 62

- How and When Fertilization Occurs* 64
- Conceiving or Avoiding Conception* 66
- Infertility and Assisted Reproductive Technology* 66

❖ **MORE INFORMATION YOU CAN USE: *The Future of ARTs, and Some Ethical Concerns*** 68

- ❖ **FURTHER DEVELOPMENTS: *Stem Cell Research: Making Progress or Opening Pandora's Box?*** 70
- Birth Control Methods* 71
 - The Expanding Reproductive Years* 73

Heredity and Genetics 74

- The Human Genome Project* 74
- Chromosomes and Genes* 75
- Determination of an Embryo's Sex* 75
- Principles of Genetics* 77
- Genetic Counseling and Testing* 79

- ❖ **IMPLICATIONS FOR PRACTICE: *Genetic Counselor Luba Djurdjinovic, M.S.*** 80
- Genetic and Chromosomal Abnormalities* 81

Prenatal Development 82

- The Germinal Period* 82
- The Embryonic Period* 83
- The Fetal Period* 85
- Loss by Miscarriage or Stillbirth* 86
- Prenatal Environmental Influences* 86
- Major Drug and Chemical Teratogens* 88
- Maternal Factors* 90

Summary 92

Key Terms 94

Following Up on the Internet 94

PART THREE

BIRTH AND INFANCY: THE FIRST TWO YEARS 95

4 Birth and Physical Development: The First Two Years 96

Birth 98

- A Child Is Born into a Family* 98
- Preparing for Childbirth* 98
- Birth Accommodations* 100
- Stages of the Birth Process* 101

- ❖ **MORE INFORMATION YOU CAN USE: *Options You May Have for a Birth Plan*** 102
- The Baby at Birth* 105

- ❖ **FURTHER DEVELOPMENTS: *Childbirth in America*** 106

- Caregiver-Infant Bonding* 108
- Complications of Pregnancy and Birth* 110
- Postpartum Experience for Mom and Dad* 115

Development of Basic Competencies 116

- Newborn States* 117
- Brain Growth and Development* 121

- Growth of Key Systems and the Brain* 122
- Motor Development* 123
- Sensory Development* 124

Summary 128

Key Terms 130

Following Up on the Internet 130

5 Infancy: Cognitive and Language Development 131

Cognitive Development 133

- Making Connections* 133
- Learning: A Definition* 133
- When Infants Start Learning* 133

- ❖ **FURTHER DEVELOPMENTS: *Babies in Diapers, Media Viewing, and Cognitive and Language Outcomes*** 135

- Piaget: The Sensorimotor Period* 138
- Post-Piagetian Research* 139
- Bruner on Modes of Cognitive Representation* 140
- Continuity in Cognitive Development from Infancy* 141

Language and Thought 141

- The Functional Importance of Language* 142
- Thought Shapes Language* 142
- Language Shapes Thought* 143

Theories of Language Acquisition 144

- Nativist Theories* 144
- Learning and Interactionist Theories* 147
- A Resolution of Divergent Theories* 148

Language Development 149

- Communication Processes* 149
- The Sequence of Language Development* 150

- ❖ **MORE INFORMATION YOU CAN USE: *Should Babies Learn Sign Language?*** 153

- Bilingualism* 156
- The Significance of Language Development* 156

Summary 157

Key Terms 159

Following Up on the Internet 159

6 Infancy: The Development of Emotional and Social Bonds 160

Emotional Development 162

- The Role of Emotions* 162
- Emotional Development in Infancy* 162
- Attachment* 165

- ❖ **IMPLICATIONS FOR PRACTICE: *Carole A. Rosen, Licensed Certified Social Worker*** 170

- ❖ **FURTHER DEVELOPMENTS: *The Rising Incidence of Autism*** 172
- Temperament* 172

Theoretical Approaches to Social-Emotional Development 175

- The Psychoanalytic View* 175
- The Psychosocial View* 176
- The Behavioral (Learning) View* 176
- The Cognitive View and Information Processing* 176
- The Ecological View* 178
- The Biological View* 178

Social Development 178

- Early Relationships and Child Rearing* 179
- The Mother as Caregiver* 179
- The Father as Caregiver* 180
- Grandparent or Kinship Care* 181
- Gay and Lesbian Parenting* 182
- Sibling Relationships* 183
- Cultural Differences in Child Rearing* 183

Child Care for Young Children 184

- Caregiver-Child Interaction* 184
- Child-Care Centers* 185

❖ MORE INFORMATION YOU CAN USE: *What Is Quality Child Care?* 187

- Early Education Across Cultures* 188

Young Children at Risk 188

- Poverty* 188
- Child Neglect and Abuse* 188

Summary 191

Key Terms 192

Following Up on the Internet 192

PART FOUR

EARLY CHILDHOOD: 2 TO 6 193

7 Early Childhood: Physical and Cognitive Development 194

Physical Development and Health Concerns 196

- Physical Growth and Motor-Skill Development* 196
- Sensory Development* 198
- The Brain and the Nervous System* 199
- Nutrition and Health Issues* 201

❖ MORE INFORMATION YOU CAN USE: *Video Games with Health Benefits* 202

- Self-Care Behaviors* 205

❖ FURTHER DEVELOPMENTS: *Household Lead Poisoning: Still a Problem* 206

- Demographic Trends and Implications for Child Health* 209
- Child Mortality Rates and Causes* 209

Cognitive Development 210

- Intelligence and Its Assessment* 210
- Intelligence and the Nature-Nurture Debate* 212
- Piaget's Theory of Preoperational Thought* 213
- The Child's Theory of Mind* 216
- Language Acquisition* 217

❖ IMPLICATIONS FOR PRACTICE: *Speech-Language Pathologist Aleshia Brewer, SLP* 219

- Language and Emotion* 220

Information Processing and Memory 221

- Information Processing* 222
- Early Memory* 222
- Metacognition and Metamemory* 223
- Memory Strategies* 224

Moral Development 224

- Piaget's Theory* 224
- Kohlberg's Theory* 225

Summary 226

Key Terms 228

Following Up on the Internet 228

8 Early Childhood: Emotional and Social Development 229

Emotional Development and Adjustment 231

- Thinking Tasks Are Critical to Emotional Development* 231
- Timing and Sequence of Emotional Development* 232
- Play Behaviors and Emotional-Social Development* 232
- Emotional Response and Self-Regulation* 234
- Acquiring Emotional Understanding* 236

The Development of Self-Awareness 239

- The Sense of Self* 239
- Measuring a Child's Self-Esteem* 240

Gender Identification 240

- Gender Identity* 241
- Influence of Biology, Brain, and Hormones* 241
- Social Influences on Gender Behaviors* 242
- Theories Regarding the Acquisition of Gender Identity* 242
- Mothers, Fathers, and Gender Typing* 244

Family Influences 245

- Families Convey Cultural Standards* 245
- Determinants of Parenting* 246
- Key Child-Rearing Practices* 247
- Child Maltreatment* 248
- Parenting Styles* 250

❖ MORE INFORMATION YOU CAN USE:

- Preparing the Nation's Most Vulnerable Children for Kindergarten* 255
- Sibling Relationships* 256

Nonfamilial Social Influences 257

- Peer Relationships and Friendships* 257
- Aggression in Children* 258
- Preschools and Early Childhood Programs* 259
- Media Influences* 260

❖ FURTHER DEVELOPMENTS: *Head Start: Affecting the Heart, Hands, Health, and Home* 261

Summary 263

Key Terms 265

Following Up on the Internet 265

PART FIVE

MIDDLE CHILDHOOD:

7 TO 12 267

9 Middle Childhood: Physical and Cognitive Development 268

Physical Development 270

Growth and Body Changes 270

Motor Development 271

Brain Development 271

Health and Fitness Issues 273

Cognitive Development 275

Piaget's Period of Concrete Operations 275

❖ MORE INFORMATION YOU CAN USE: *Fostering Creativity* 279

Information Processing and Cognitive Development 280

Language Development in Middle Childhood 281

Global Assessment in Math, Science, and Literacy 284

Assessment of Intelligence 284

❖ FURTHER DEVELOPMENTS: *Why Asian Children Strive for Excellence* 286

Students with Disabilities 288

What Is Known About Effective Schools 291

❖ IMPLICATIONS FOR PRACTICE: *Special Education Teacher, James Crandell* 292

Moral Development 293

Cognitive Learning Theory 294

Cognitive Developmental Theory 294

Correlates of Moral Conduct 297

Prosocial Behaviors 298

Summary 299

Key Terms 300

Following Up on the Internet 301

10 Middle Childhood: Emotional and Social Development 302

The Quest for Self-Understanding 304

Erikson's Stage of Industry Versus Inferiority 304

Self-Image 304

Self-Esteem 304

Self-Regulated Behaviors 306

Understanding Emotions 307

❖ MORE INFORMATION YOU CAN USE: *Services for Children of Veterans* 309

Continuing Family Influences 313

Mothers and Fathers 314

Sibling Relationships 318

Children of Divorce 319

Single-Parent Families 319

Stepfamilies 320

Later Childhood: The Broadening Social Environment 320

The World of Peer Relationships 321

Developmental Functions of Peer Groups 321

Gender Cleavage 322

Popularity, Social Acceptance, and Rejection 322

Racial-Ethnic Awareness and Prejudice 325

The World of School 325

Developmental Functions of Schools 326

Motivating Students 327

❖ FURTHER DEVELOPMENTS: *After-School Care and Supervision* 328

School Performance, Social Class, Ethnicity, and the Gender Gap 329

Summary 333

Key Terms 334

Following Up on the Internet 334

PART SIX

ADOLESCENCE 335

11 Adolescence: Physical and Cognitive Development 336

Physical Development 338

Signs of Maturation and Puberty 338

Hormonal Changes During Puberty 338

The Adolescent Growth Spurt 341

Maturation in Girls 342

Maturation in Boys 345

The Impact of Early or Late Maturation 345

Self-Image and Appearance 346

Health Issues in Adolescence 347

Nutrition and Eating Disorders 348

❖ FURTHER DEVELOPMENTS: *Understanding Anorexia and Bulimia* 350

Smoking and Tobacco Products 351

Alcohol and Other Substance Abuse 352

Sexually Transmitted Infections 353

❖ MORE INFORMATION YOU CAN USE: *"Sext" Messaging: Harmless Activity or Criminal Act?* 356

Teenage Pregnancy 356

Body Art and Tattooing 357

Stress, Anxiety, Depression, and Suicide 357

Cognitive Development 358

Piaget: The Period of Formal Operations 358

Adolescent Egocentricity 359

Educational Issues 361

Moral Development 364

The Adolescent as a Moral Philosopher 364

The Development of Political Thinking 365

Summary 366

Key Terms 367

Following Up on the Internet 367

12 Adolescence: Emotional and Social Development 368

Development of Identity 370

- Hall's Portrayal of "Storm and Stress"* 370
- Sullivan's Interpersonal Theory of Development* 370
- Erikson: The Crisis of Adolescence* 372
- Cultural Aspects of Identity Formation* 373

Peers and Family 378

- The Adolescent Peer Group* 378

❖ FURTHER DEVELOPMENTS: *Text Messaging and Teens: whr R U now?* 381

- Adolescents and Their Families* 381

Sexuality, Courtship, and Love 384

- Differing Romantic Behavioral Patterns* 384
- Courtship* 384
- Love* 385
- Sexual Expression and Behavior* 386
- Teenage Pregnancy* 387
- Sexual Orientation* 389

Career Development and Vocational Choice 390

- Preparing for the World of Work* 391
- Changing Employment Trends in the United States* 391
- Balancing Work and School* 392
- Graduation Rates and Dropout Rates* 392

Risky Behaviors 393

- Social Drinking and Drug Abuse* 394

❖ MORE INFORMATION YOU CAN USE: *Determining Whether Someone You Know Has an Alcohol or Drug Problem* 395

- Teenage Suicide* 396
- Antisocial Behaviors and Juvenile Delinquency* 397

Summary 399

Key Terms 400

Following Up on the Internet 400

PART SEVEN

EARLY ADULthood 401

13 Early Adulthood: Physical and Cognitive Development 402

Developmental Perspectives 404

- Demographics of Early Adulthood* 404
- Generation X* 404
- The Millennial Generation* 405
- Conceptions of Age Periods* 406
- Age Norms and the Social Clock* 407
- Age-Grade Systems* 408
- Life Events* 409

❖ FURTHER DEVELOPMENTS: *The Long-Term Effects of Childhood Sexual Abuse* 410

- The Search for Periods in Adult Development* 411

Physical Changes and Health 411

- Physical Performance* 411
- Physical Health* 411

❖ IMPLICATIONS FOR PRACTICE: *Family Nurse Practitioner, Ronald Dingwell* 412

- Socioeconomic Status, Race-Ethnicity, and Gender* 418
- Drug and Alcohol Use* 419
- Mental Health* 420

❖ MORE INFORMATION YOU CAN USE: *Coping with Stress* 425

- Sexuality* 426

Cognitive Development 428

- Post-Formal Operations* 428
- Thought and Information Processing* 429

Moral Reasoning 431

- Kohlberg and Postconventional Reasoning* 431
- Moral Relativism and the Millennials* 433

Summary 434

Key Terms 435

Following Up on the Internet 435

14 Early Adulthood: Emotional and Social Development 436

Theories of Emotional-Social Development 438

- Psychosocial Stages* 438
- Emerging Adulthood* 439
- Stages in a Young Man's Life* 440
- Stages in a Young Woman's Life* 442

Establishing Intimacy in Relationships 443

- Friendship* 443
- Love* 444

Diversity in Lifestyle 445

- Leaving Home* 446
- Living at Home* 446
- Staying Single* 447
- Cohabiting* 447
- Arranged Marriages* 450
- Same-Sex Partners* 450
- Getting Married* 452

Family Transitions 455

❖ FURTHER DEVELOPMENTS: *The Decline of Marriage* 456

- Pregnancy* 457
- Transition to Parenthood* 458
- Same-Sex Parenthood* 460
- Separation and Divorce* 461
- Single-Parent Mothers* 462
- Single-Parent Fathers* 464

Work 464

❖ MORE INFORMATION YOU CAN USE: *The Diversity of Fathers Today* 465

- The Significance of Work for Women and Men* 466
- Differing Work Experiences for Women and Men* 470

Summary 470

Key Terms 472

Following Up on the Internet 472

PART EIGHT

MIDDLE ADULTHOOD 473

15 Middle Adulthood: Physical and Cognitive Development 474

Redefining Middle Age 476

Sensory and Physical Changes 476

Vision 476

❖ IMPLICATIONS FOR PRACTICE: *Occupational/Physical Therapist, Merida R. Padro* 477

Hearing 478

Taste and Smell 478

Appearance 479

Body Composition 480

Changes in the Skeletal System 483

Female Midlife Change 484

Male Midlife Change 485

Health and Lifestyle 486

Sleep 487

Cardiovascular Fitness 487

❖ MORE INFORMATION YOU CAN USE: *A Schedule of Checkups for Midlife Adults* 488

Cancer 492

The Brain 492

❖ FURTHER DEVELOPMENTS: *Information for Breast Cancer Survivors* 493

Stress and Depression 495

Sexual Functioning 495

Midlife Men and Women at Risk for HIV/AIDS 497

Cognitive Functioning 498

Research Findings: *A Methodological Problem* 499

The Varied Courses of Cognitive Abilities 499

Maximizing Cognitive Abilities 500

Cognition and Dialectical Thinking 501

Moral Commitments 502

Summary 504

Key Terms 505

Following Up on the Internet 505

16 Middle Adulthood: Emotional and Social Development 506

Theories of the Self in Transition 508

Maturity and Self-Concept 508

Stage Models 509

Trait Models 510

Situational Models 511

Interactionist Models 511

Gender and Personality at Midlife 512

Personality Continuity and Discontinuity 517

The Social Milieu 518

Familial Relations 518

❖ MORE INFORMATION YOU CAN USE: *Adaptation in Stepfamilies* 525

Friendship 528

The Workplace 529

❖ FURTHER DEVELOPMENTS: *Baby Boomers and Social Networking* 530

Job Satisfaction 531

Midlife Career Change 532

Unemployment, Underemployment, and Early

Retirement 533

Choosing Retirement 534

Summary 535

Key Terms 535

Following Up on the Internet 536

PART NINE

LATE ADULTHOOD 537

17 Late Adulthood: Physical and Cognitive Development 538

Aging: Myth and Reality 540

Older Adults: Who Are They? 540

Myths 543

❖ FURTHER DEVELOPMENTS: *Generational Tensions: The Social Security Debate* 544

Women Live Longer Than Men 548

Health 548

Exercise and Longevity 549

Nutrition and Health Risks 550

Biological Aging 553

Biological Theories of Aging 557

Cognitive Functioning 558

The Varied Courses of Different Cognitive Abilities 559

Overestimating the Effects of Aging 560

Memory and Aging 561

Learning and Aging 563

Decline in Cognitive Functioning 563

Moral Development 566

James Fowler's Theory of Faith Development 566

❖ MORE INFORMATION YOU CAN USE: *Faith and Well-Being in Later Life* 567

Summary 569

Key Terms 570

Following Up on the Internet 570

18 Late Adulthood: Emotional and Social Development 571

- Social Responses to Aging 573
 - False Stereotypes* 573
 - Positive and Negative Attitudes* 573
- Self-Concept and Personality Development 574
 - Psychosocial Theories* 575
- ❖ MORE INFORMATION YOU CAN USE:
 - Reminiscence: Conducting a Life Review* 576**
 - A Trait Theory of Aging* 578
 - Other Theories of Aging* 578
 - Selective Optimization with Compensation* 580
 - A Life-Span Model of Developmental Regulation* 582
 - The Impact of Personal Control and Choice* 582
- Familial Roles: Continuity and Discontinuity 583
 - Love and Marriage* 584
 - Singles* 586
- ❖ FURTHER DEVELOPMENTS: *Older Adults and Their Online Romantic Relationships* 587
 - Lesbian, Gay, Bisexual, and Transgender Elderly* 588
 - Children or Childlessness* 588
 - Grandparenting and Great-Grandparenting* 589
 - Siblings* 590
- Social and Cultural Support 590
 - Friendships* 590
 - Retirement/Employment* 591
 - A Change in Living Arrangements* 593
 - Elder Abuse* 596
 - Policy Issues and Advocacy in an Aging Society* 598
- ❖ IMPLICATIONS FOR PRACTICE: *Professor and Gerontologist, William C. Lane, PhD* 599
- Summary 600
- Key Terms 601
- Following Up on the Internet 601

PART TEN

THE END OF LIFE 603

19 Dying and Death 604

- The Quest for "Healthy Dying" 606
 - Thanatology: The Study of Death and Dying* 608
- ❖ MORE INFORMATION YOU CAN USE: *An Example of a Living Will* 609
 - The Right-to-Die Movement* 609
 - The Hospice Movement* 614
- The Dying Process 617
 - Defining Death* 617
 - Confronting One's Own Death* 618
- ❖ FURTHER DEVELOPMENTS: *End of Life: Who Decides?* 619
 - Dying* 621
 - Causes of Death* 623
- Grief, Bereavement, and Mourning 625
 - Adjusting to the Death of a Loved One* 625
 - Widows and Widowers* 628
 - The Death of a Child* 629
- Toward an Understanding of the Afterlife 630
 - Near-Death Experiences* 630
 - Religious Beliefs* 633
 - Final Thoughts About Life and Death* 634
- Summary 634
- Key Terms 635
- Following Up on the Internet 635
- Glossary 636
- References 649
- Credits 719
- Name Index 722
- Subject Index 727
