Preface 1

Project 1: Let's Get Local! 9

What do we build? 9
Designing the app – UI/interactions 14
Designing the data model 20
Implementing the data model 23
Implementing the start view 34
Implementing our game view 41
Implementing the end view 54
Putting it all together 58
Game Over..... Wrapping it up 67
Can you take the HEAT? The Hotshot Challenge 68

Project 2: Let's Get Social! 69

What do we build? 69
Designing the app – UI/interaction design 72
Designing the app – the data model 76
Implementing the data model 77
Configuring the plugins 86
Implementing the social view 93
Implementing the tweet view 101
Game Over..... Wrapping it up 108
Can you take the HEAT? The Hotshot Challenge 108

Project 3: Being Productive 109

What do we build? 109
Designing the user interface 110
Designing the data model 113
Implementing the data models 115

Implementing documents view 125
Implementing the file view 136
Game Over..... Wrapping it up 141
Can you take the HEAT? The Hotshot Challenge 141

Project 4: Let's Take a Trip 143
What do we build? 143
Designing our UI and the look and feel 145
Designing our data model 149
Implementing our data model 151
Changing our document manager 157
Implementing our map view 159
Game Over..... Wrapping it up 168
Can you take the HEAT? The Hotshot Challenge 169

Project 5: Talking to Your App 171
What do we build? 171
Designing the user interface and the look and feel 172
Designing the data model 175
Implementing the data model 177
Implementing gesture support 185
Implementing the main view 194
Game Over..... Wrapping it up 206
Can you take the HEAT? The Hotshot Challenge 206

Project 6: Say Cheese! 207
What do we build? 207
Designing the user interface and the look and feel 209
Designing the data model 211
Implementing the document view 213
Implementing the image view 230
Game Over..... Wrapping it up 233
Can you take the HEAT? The Hotshot Challenge 234

Project 7: Let's Go to the Movies! 235
What do we build? 235
Preparing for the video thumbnail plugin 237
Implementing the video thumbnail plugin for iOS 240
Implementing the video thumbnail plugin for Android 247
Integrating with the video thumbnail plugin 251
Implementing recording and importing of video 253
Implementing video playback 256

Game Over..... Wrapping it up 259
Can you take the HEAT? The Hotshot Challenge 260

Project 8: Playing Around 261
What do we build? 261
Designing the game 263
Implementing the options view 266
Generating levels 271
Drawing to the canvas 276
Keeping up 279
Performing updates 280
Handling touch-based input 284
Handling the accelerometer 286
Game Over..... Wrapping it up 289
Can you take the HEAT? The Hotshot Challenge 291

Project 9: Blending In 293
What do we build? 293
Installing the plugins 294
Adding the navigation bar 298
Adding the tab bar 304
Adding the ActionSheet 308
Adding the message box 310
Adding the picker 312
Adding the e-mail composer 314
Game Over..... Wrapping it up 316
Can you take the HEAT? The Hotshot Challenge 316

Project 10: Scaling Up 317
What do we build? 317
Designing the scaled-up UI 318
Implementing the scaled-up UI 321
Designing the split-view UI 326
Implementing the split-view UI 328
Game Over..... Wrapping it up 337
Can you take the HEAT? The Hotshot Challenge 338

Appendix A: Quick Design Pattern Reference 339
The navigation list 340
The grid 341
Carousel 1 342
Carousel 2 343

The login screen 344
The sign-up form 346
The table 347
The list of choices 349
Doing things in bulk 350
Searching 351
Some things to keep in mind 353
Summary 354

Appendix B: Installing ShareKit 2.0 **355**

Index **365**
