Reading Techniques

Clare West

Revised Edition
(with removable Key)

Reading Techniques is for students at upper-intermediate level who wish to improve their general reading skills in English and/or to work towards international examinations at B2 level (Common European Framework). The emphasis is on learning the practical techniques needed to become effective readers and to tackle reading papers in examinations with confidence.

The book can be used to supplement any coursebook at this level and is suitable for classroom use, for homework or for self-study.

Key features include:

- Coverage of the main reading skills required at this level – skimming, scanning, intensive reading, reading between the lines, speed reading and identifying topic, source & register.
- Graded practice in three common task types – multiple choice, gapped texts and multiple matching.
- Study boxes with clear step-by-step guidance and regular reminders of the skills required, including icons to aid visual intelligence.
- Texts from a wide range of sources, in varying styles and registers.
- Four full-length Practice Tests suitable for students preparing for FCE Paper 1.
- Removable Answer Key.

Clare West has taught in the UK and overseas for many years and is an established author.
