

3.3.3. ViCon Jitsi

Jitsi merupakan salah satu aktivitas video conference yang dapat digunakan di cyber.

1. Aktivitas pilih Jitsi, kemudian Add

2. Masukkan Nama Sesi dan Isikan Waktu ViCon, pilih save and return to course

A screenshot of the 'Adding a new Jitsi to Topic 10' form in Moodle. The form is divided into sections: 'General', 'Availability', and 'Common module settings'. In the 'General' section, the 'Session name' field is highlighted with a red rectangular box and contains the text 'Struktur Data'. Below it is a 'Description' text area. In the 'Availability' section, the 'Start of videoconference' date and time picker is highlighted with a red rectangular box, showing '4 May 2020 16:01' and an 'Enable' checkbox. In the 'Common module settings' section, the 'Save and return to course' button is highlighted with a red rectangular box. Other buttons like 'Save and display' and 'Cancel' are also visible.

3. Tampilan Jitsi di cyber learning Unika: Klik untuk masuk ke dalam aktivitas

4. Masuk ruang Video Conference Jitsi: pilih Access
